

**Georgia Falconry Association
Buckarama Agreement**

1. You must keep your bird in the general area of our booth. No walking around with your bird in the aisles.

2. Clean up mutes while they are fresh. (Someone will have to clean them up before the show is over.)

3. Birds must be tied to your glove by the leash or clipped and leashed while at the booth.

4. Do not allow another falconer to handle your bird unless they have signed this agreement.

5. Never attempt to demonstrate how tame your bird is.

6. ABSOLUTELY NEVER ALLOW spectators to touch or handle your bird or approach close enough to be footed or bitten. Maintain a safe distance from the public at all times.

7. Maintain a safe distance from other falconers and their birds.

8. Never leave your bird unattended.

9. Do not let the public get behind your birds.

I agree to follow the above rules for the safety of our guest and other birds.
